

## Maths

Practise your skills using Mathletics. Spend around 15 minutes each night on Mathletics to brush up your basic facts knowledge. Login to **StudyLadder** and work on your new tasks.

## Reading Log

Keep up your daily reading log - write down how many pages you read each evening.

Date	Title
Monday	
Tuesday	
Wednesday	
Thursday	

## From the teachers:

- Our end of year assembly is coming up. Learn our assembly songs by going onto the Middle Team wiki:  
<http://spsmiddleteam.wikispaces.com>
- Please check that you have a Sunnynook School hat to wear at playtimes.
- You may like to give a performance to your class - solo, with a buddy or a group. You may also like to practice your Cushion Concert item in front of the class.

# Mathematics

## Money Problems

Work out the answers for these money problems - you may wish to draw or write out the problems to help you.

Tom gets \$5 a month pocket money. How much will he save in 1 year?

Tyree has saved \$30 and wants to buy presents for her family. There are 5 people in her family. How much will she spend on each person?

Bindi enjoys sorting her money into groups of coins. She has 4 \$2 coins, 8 \$1 coins, 20 50c coins and 13 10c coins. How much money does she have altogether?

Daryl has saved \$25. He buys a set of cards for \$3. He gives  $\frac{1}{2}$  of what he has left to his Mum to look after and takes the other half to the shops. How much did he give his Mum?

**EXTRA FOR EXPERTS:**

Make some word problems for a friend.

# ART & CRAFT

## November 5<sup>th</sup>

The streets and houses will soon be popping with the noises of firecrackers, rockets and other fireworks.

**Choose 1 of the activities below to do.**

Design a FIREWORK safety poster to display in your classroom for Friday.

Make a list of safety tips to help families keep safe using fireworks.

Design your own special firework. Think of a catchy name. Draw what it looks like. Explain what it does. Draw and colour the special effects it makes when it goes off.

Make a model of a firework (not a real one, of course). Check what written instructions come with fireworks and how everyone can keep safe. Add these to your model.

**Have fun at the weekend and REMEMBER to keep SAFE.**
